LETTER FROM THE DIRECTOR

The 2021-2022 fall and winter sports seasons have challenged us and rewarded us in so many ways. From masks on to masks off, limited spectators to all are welcome. Through it all, our student-athletes have rose above and succeeded academically and athletically. I am proud of what all of our student-athletes have accomplished individually, as a team, and as a collective group for our entire district.

The Athletic Department would like to thank everyone from the Administrative Team, Board Members, Teachers/Staff, Grounds Crew, Transportation, Boosters, Lansing Parks & Recreation, Coaches, Families and the entire Lansing Community for all of your support for Lansing Athletics. I would like to especially thank Alisha Scheffler for all that she does in the Athletic Department each day to support all of our teams and coaches.

I am excited to announce that our spring season is here. Come out and show your Bobcat Pride by supporting our student-athletes. Be Loud! Be Proud! Be Positive!

Let's Go Bobcats!

Katie Crandall, Athletic Director, Assistant High School Principal
